What was the most exciting What was the most exciting single aports event of allitime? . A poll of sportswriters once chose the Dempsey-Firpo fight of 1923 . That was the fight when Firpo went down nine times in two rounds and Dempsey was down twice including being knocked out of the ring.

Here's a real oddity . There hasn't been an unas-sisted triple play in major jeague baseball since 1927 league baseball since 1927 — but in 1927, there were two of them in two days! . . . Jim Cooney pulled an unes-sisted triple play on Mey 30, 1927 and Jehn Neun made one the next day, on May 31, 1927 . . And there hasn't been was since!

Everybody always associates Babe Ruth with the Yankees, but how many fans know he also played with two other teams in the big leagues? . Can you name the teams Ruth played for teagues? Can you name the teams Ruth played for, besides the Yanks? Answer is the Red Sox and the Braves.
